Thiskness
Thickness:
0.2000 inches mounting bracket
Mounting Hole Quantity:
18
Diameter:
9.5000 inches
Aperture Shape:
Round
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 federal specification single material response or qq-a-200/8 federal specification single material response
Surface Treatment:
Chromate
Shape:
Round
Surface Treatment Specification:
Mil-c-5541. Cl 1a military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A10600
Mil-std (military Standard):
Mil-c-5541 spec.
