Overall Length:

8.2500 inches

Overall Width:

Between 0.4950 inches and 0.5050 inches

Design Type:

Straight

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, alloy 6061 federal specification single material response or qq-a-250/11, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536n0
