Width:

1.1200 inches

Thickness:

0.6200 inches

Length:

5.2000 inches

Mounting Hole Diameter:

0.5290 inches all holes and 0.5390 inches all holes

Mounting Hole Quantity:

3

Mounting Hole Type:

Unthreaded

Material:

Steel comp 316

Material Specification:

Qq-s-766 federal specification single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
