Width:

4.5000 inches

Thickness:

0.1250 inches

Length:

3.3800 inches

Mounting Hole Diameter:

0.5300 inches all holes and 0.5370 inches all holes

Mounting Hole Quantity:

6

Mounting Hole Type:

Unthreaded

Material:

Steel comp 316

Material Specification:

Qq-s-766 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
