**Width:**

4.680 inches

**Thickness:**

0.120 inches

**Length:**

10.810 inches

**Features Provided:**

Aperture

**Aperture Shape:**

Round

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 federal specification single material response

**Surface Treatment:**

Chromate

**Shape:**

Rectangular

**Surface Treatment Specification:**

Mil-c-5541, cl 1a military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0

**Mil-std (military Standard):**

Mil-c-5541 spec.
