End Application:

Stinger missile night sight

Mounting Facility Diameter:

0.370 inches

Special Features:

Polycarbonate resin uv stabilized; flame retardent, 20 percent glass reinforced; color-black 37028 per fed-std-595

Material:

Plastic polycarbonate handle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
