**First Leg Length:**

0.750 inches

**Second Leg Length:**

0.910 inches

**End Application:**

F-15s

**Second Leg Relationship To First Leg:**

Not identical

**Special Features:**

Bracket with alloy steel nut (st3m405-3-3 and rivet holes, conventional clinch nut installation)

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Style Designator:**

Angle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
