Width:

2.670 inches

Thickness:

1.620 inches

Length:

15.750 inches

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
