Width:

9.0900 inches

Thickness:

0.0897 inches

Length:

23.6200 inches

Material:

Steel comp 1009 or steel

Material Specification:

Astm a366 assn standard 1st material response or astm a569 assn standard 2nd material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
