Overall Length:

6.6000 inches

Overall Width:

5.5800 inches

Special Features:

This is right hand part and part number 12342884 is left hand part of same item

Material:

Steel

Material Specification:

Astm-a-656 assn standard single material response or sae-j-1442 assn standard single material response or astm-a-588 assn standard single material response or astm-a-572 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
