Edge Shape:

Diamond, rounded corners, no holes

Securing Device Type:

Special

End Application:

Eh-60a, electronic countermeasures helicopter

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250-5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
