Overall Length:

15.810 inches

Overall Height:

1.250 inches

Mounting Hole Diameter:

0.268 inches

Mounting Hole Quantity:

2

Special Features:

2 slots width .173/.181 length .44, spaced in .51 on each end

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 temp t6 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
