Overall Length:

1.400 inches

Overall Width:

0.800 inches

Material Thickness:

Between 0.015 inches and 0.025 inches

Mounting Hole Diameter:

Between 0.098 inches and 0.103 inches

End Application:

T-38 retrofit

Hole Quantity:

4

Material:

Steel comp 301

Material Specification:

Ams5517 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
