Width:

0.400 inches

Thickness:

0.151 inches

Length:

1.220 inches

Mounting Hole Diameter:

0.104 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Plastic polyhexamethylene amide or plastic polyhexamethylene adipamide or plastic polyundecanoamide

Material Specification:

L-p-410 federal specification 1st material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
