Width:

0.620 inches

Thickness:

0.250 inches

Length:

3.700 inches

Mounting Hole Diameter:

0.260 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, t-6 federal specification 1st material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
