Outside Diameter:

6.5 millimeters

Material Thickness:

5.4 millimeters

Height:

6.3 millimeters

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t4 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Cup

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A538v0
