Overall Length:

41.2500 inches

Overall Width:

10.2500 inches

Special Features:

The thk is 0.190 and 0.250 in.

Material:

Nickel alloy 400

Material Specification:

Qq-n-281, cl a, form 1 or 6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
