Diameter:

0.625 inches

Length:

Between 0.945 inches and 0.948 inches

Cross-sectional Shape:

Round

Material:

Steel

Material Specification:

Astm a512 assn standard single material response

Style Designator:

Internally threaded full length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
