Width:

2.000 inches

Thickness:

0.375 inches

Length:

Between 9.998 inches and 10.002 inches

Mounting Hole Diameter:

0.625 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

W/s: small emplacement excavator (r048)/hmmh (x501)

Material:

Steel uns k02600

Material Specification:

Astma-36 assn standard single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
