Width:

0.4375 inches

Thickness:

0.0625 inches

Length:

2.3125 inches

Mounting Hole Diameter:

0.1562 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Nickel alloy 400

Material Specification:

Qq-n-281, class 1 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
