First Leg Length:

3.000 inches

Second Leg Length:

4.000 inches

End Application:

F-5 acft

First Leg Thickness:

0.050 inches

Second Leg Thickness:

0.050 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/t4 federal specification single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
