Casehardening Indicator:

Not casehardened

Stock Diameter:

0.040 inches

Special Features:

Used on f-5 rear cockpit canopy

Material:

Aluminum alloy, qq-a-250/5, alloy 2024, t3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, alloy 2024, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
