Width:

40.0 millimeters

Effective Length:

32.0 millimeters

Length:

70.0 millimeters

Effective Height:

12.0 millimeters

Height:

19.0 millimeters

Material:

Plastic polyamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09900
