Cross Sectional Shape:

Flat

Width:

19.380 inches

Edge Shape:

Rectangle, no holes

Length:

29.620 inches

Body Thickness:

0.125 inches

Securing Device Type:

Hinge

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
