Width:

0.800 inches

Thickness:

0.030 inches

Length:

2.620 inches

Mounting Hole Diameter:

0.157 inches all holes

Mounting Hole Quantity:

3

Material:

Steel comp 304

Material Specification:

Qq-s-763, class 304 federal specification single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
