Width:

1.3750 inches

Thickness:

0.3280 inches

Length:

6.8100 inches

Cushioning Material:

Rubber

Special Features:

The item is maded from mil-d-24709; there are three mounting holes; the outer two holes have a diameter of 0.3440 in. and the center hole has a diameter of 0.5310

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
