Special Features:

Includes; gusset, p/n-12373750-3; stiffener, p/n-12373750-2; bracket, p/n-12373750-1

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-std-171 military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-std-171 spec.
