Hole Depth:

0.560 inches

Overall Height:

1.094 inches

End Application:

Jp5 fueling

Outside/top Flange Diameter:

1.500 inches

Special Features:

Alignment post

Color:

Black

Material:

Plastic polyamide

Material Specification:

L-p-416 6/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A53510
