Width:

9.5000 inches

Thickness:

0.1250 inches

Length:

20.0000 inches

Mounting Hole Diameter:

0.3420 inches all holes and 0.3490 inches all holes

Mounting Hole Quantity:

10

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
