Overall Length:

19.3200 inches

Overall Height:

4.2500 inches

Overall Width:

1.6700 inches

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 military specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

spec.
