Width:

6.250 inches

Thickness:

0.188 inches

Length:

8.030 inches

Mounting Hole Diameter:

0.576 inches all holes and 0.586 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Special Features:

Includes two nuts-0.250-20 unc 2b

Material:

Steel uns k02600

Material Specification:

Astma-36 assn standard single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
