Overall Length:

1.850 inches

Flange Thickness:

0.380 inches

Overall Width:

1.360 inches

Design Type:

Flange

Material:

Steel

Material Specification:

Astm a582, type 303 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
