Width:

1.7500 inches

Thickness:

0.0900 inches

Length:

2.7500 inches

Mounting Hole Diameter:

0.1550 inches all holes and 0.1600 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Surface Treatment Specification:

Mil-a-8625, type 3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A530d0

Mil-std (military Standard):

Mil-a-8625 spec.
