Overall Length:

9.000 inches

Overall Height:

1.250 inches

Overall Width:

2.750 inches

Material Thickness:

0.190 inches

Mounting Hole Diameter:

Between 0.264 inches and 0.271 inches

Distance Between Hole Centers:

8.250 inches

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Chromate

Style Designator:

Quadruple angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
