Overall Length:

7.830 inches

Overall Height:

2.430 inches

Overall Width:

3.500 inches

Mounting Hole Type:

Plain

End Application:

F-16 acft

Product Name:

Original name on drawing; bracketassembly, uplock

Material:

Aluminum alloy

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
