Width:

Between 5.7300 inches and 5.7500 inches

Thickness:

0.0630 inches

Length:

Between 6.3450 inches and 6.3750 inches

Mounting Hole Quantity:

6

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
