Width:

2.0000 inches

Thickness:

0.0320 inches

Length:

8.0000 inches

Mounting Hole Diameter:

0.3437 inches all holes

Mounting Hole Quantity:

3

Mounting Hole Type:

Unthreaded

Material:

Nickel alloy 400

Material Specification:

Qq-n-281, class 1 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
