Width:

0.830 inches

Thickness:

0.140 inches

Length:

2.390 inches

Special Features:

Two holes 0.423 in. Dia; two holes thdd 0.112-40; one edge radius 1.133 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
