Overall Height:

103.2260 inches

Overall Diameter:

235.0 millimeters

Special Features:

The square base is made from qq-a-200/9 or astm-b-221 or qq-a-200/8 or astm-b-221

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response or astm-b-209 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
