**Overall Height:**

103.2260 inches

**Overall Diameter:**

235.0 millimeters

**Special Features:**

The square base is made from qq-a-200/9 or astm-b-221 or qq-a-200/8 or astm-b-221

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 federal specification single material response or astm-b-209 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
