Overall Height:
103.2260 inches
Overall Diameter:
235.0 millimeters
Special Features:
The square base is made from qq-a-200/9 or astm-b-221 or qq-a-200/8 or astm-b-221
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 federal specification single material response or astm-b-209 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
