Width:

6.540 inches

Thickness:

1.630 inches

Length:

9.250 inches

End Application:

Paladin m109a6 155mm sp howitzer

Mounting Configuration:

8 x 0.38w x 0.57 deep mounting slots, 2 on ea. End 1.12 in. From the sides & 2 on ea. Side 1.59 in. From the ends

Features Provided:

Raised surface

Raised Surface Length:

1.500 inches

Raised Surface Width:

1.250 inches

Raised Surface Height:

1.250 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Paint

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
