Overall Diameter:

0.550 inches

Design Type:

Friction

Special Features:

Manufacturer suggested name - plug, shipping; pacer dawn

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A53910
