**Overall Length:**

8.5000 inches

**Overall Height:**

1.9920 inches

**Overall Width:**

4.2500 inches

**Mounting Hole Quantity:**

2

**Material:**

Aluminum alloy 5083 or aluminum alloy 5086

**Material Specification:**

Qq-a-250/6 federal specification single material response or qq-a-250/7 federal specification single material response or qq-a-200/4 federal specification single material response or qq-a-200/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A042a0
