Overall Length:

2.2300 inches

Overall Height:

0.2500 inches

Overall Width:

0.2450 inches

Design Type:

Straight

Material:

Steel

Material Specification:

Astm a582, type 303 or 303se assn standard single material response or qq-s-763, class 302, 303, 304, 304l or 347 federal specification single material response or qq-s-763, class 304 cond b federal specification single material response or qq-s-763, class 316, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
