**End Application:**

C130-j hercules acft

**Special Features:**

Used on cb, deicing, main ac panel, upper

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5, t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
