Overall Height:

4.750 inches

End Application:

C130-j hercules acft

Special Features:

Used on recptacle compass, fus sta 263, rh side

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
