Overall Height:

0.063 inches

End Application:

Voice equipment on the c-130 aircraft

Product Name:

Bracket-mounting secure voice equipment

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
