Overall Length:

5.000 inches

Overall Height:

0.040 inches

Overall Width:

4.000 inches

End Application:

C130-a and -j hercules acft

Product Name:

Bracket assembly - life raft release

Special Features:

For w.S. (wing station) 80.25l; next assembly p/n 341884-3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, cond t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
