Width:

0.5000 inches

Thickness:

0.1070 inches

Length:

2.3000 inches

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Specification Or Standard:

T-6511 treatment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
